Using the internet is an integral part of my daily life:

- *teaching and working at the Long Creek School
- *operating an e-commerce business with my husband
- *communicating with others in emergency response
- *keeping in contact with family and friends
- *shopping, leisure, and entertainment

I have participated in many volunteer positions that have taught me to work with others--we are all in this together:

- *Long Creek City Councilor
- *Long Creek Fire Fighter and Fire Instructor
- *Long Creek Booster Club, vice president
- *Long Creek School, student council advisor
- *Long Creek Education Association, president
- *9-1-1 Intergovernmental Council minutes transcriber

I am organized, love to learn, work well with others, explain and disseminate information well, understand the necessity and need for adequate local internet access, and am a local connection and contact to the north end of Grant County.

Board positions will be appointed at the October 2018 board meeting. You will be contacted to confirm your application is complete.
