

SPECIAL PUBLIC WORKS FUND DEVELOPMENT PROJECT
FINANCING CONTRACT

Project Name: John Day Urban Renewal Agency Housing Developments:Infrastructure

Project Number: L22013

This financing contract (“Contract”), dated as of the date the Contract is fully executed, is made by the State of Oregon, acting by and through its Oregon Infrastructure Finance Authority of the Oregon Business Development Department (“OBDD”), and the City of John Day (“Recipient”) for financing of the project referred to above and described in Exhibit C (“Project”). This Contract becomes effective only when fully signed and approved as required by applicable law. Capitalized terms not defined in section 1 and elsewhere in the body of the Contract have the meanings assigned to them by Exhibit A.

This Contract includes the following exhibits, listed in descending order of precedence for purposes of resolving any conflict between two or more of the parts:

Exhibit A	General Definitions
Exhibit B	Security
Exhibit C	Project Description
Exhibit D	Project Budget

SECTION 1 - KEY TERMS

The following capitalized terms have the meanings assigned below.

“Estimated Project Cost” means \$2,519,920.

“Interest Rate” means 2.41% per annum.

“Loan Amount” means \$1,851,797.

“Maturity Date” means the 19th anniversary of the Repayment Commencement Date.

“Payment Date” means December 1.

“Project Closeout Deadline” means 90 days after the earlier of the Project Completion Date or the Project Completion Deadline.

“Project Completion Deadline” means 36 months after the date of this Contract.

“Repayment Commencement Date” means the first Payment Date to occur after the Project Closeout Deadline.

SECTION 2 - FINANCIAL ASSISTANCE

OBDD shall provide Recipient, and Recipient shall accept from OBDD, financing for the Project a non-revolving loan (the “Loan”) in an aggregate principal amount not to exceed the Loan Amount.

Notwithstanding the above, the aggregate total of Financing Proceeds disbursed under this Contract cannot exceed the Costs of the Project.

SECTION 3 - DISBURSEMENTS

A. Reimbursement Basis. The Financing Proceeds will be disbursed to Recipient on an expense reimbursement or costs-incurred basis. The Recipient must submit each disbursement request for the

Financing Proceeds on an OBDD-provided or OBDD-approved disbursement request form (“Disbursement Request”).

- B. Financing Availability. OBDD’s obligation to make, and Recipient’s right to request, disbursements under this Contract terminates on the Project Closeout Deadline.
- C. Payment to Contractors. OBDD, in its sole discretion, may make direct payment to suppliers, contractors and subcontractors and others for sums due them in connection with construction of the Project, instead of reimbursing Recipient for those sums.

SECTION 4 - LOAN PAYMENT; PREPAYMENT

- A. Promise to Pay. The Recipient shall repay the Loan and all amounts due under this Contract in accordance with its terms. Payments required under this Contract are, without limitation, payable from the sources of repayment described in the Act and this Contract, including but not limited to Exhibit B, and the obligation of Recipient to make all payments is absolute and unconditional. Payments will not be abated, rebated, set-off, reduced, abrogated, terminated, waived, postponed or otherwise modified in any manner whatsoever. Payments cannot remain unpaid, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project, commercial frustration of purpose, any change in the laws, rules or regulations of the United States of America or of the State of Oregon or any political subdivision or governmental authority, nor any failure of OBDD to perform any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with the Project or this Contract, or any rights of set off, recoupment, abatement or counterclaim that Recipient might otherwise have against OBDD or any other party or parties; provided further, that payments hereunder will not constitute a waiver of any such rights.
- B. Interest. Interest accrues at the Interest Rate on each disbursement from the date of disbursement until the Loan is fully paid. All unpaid interest accrued to the Repayment Commencement Date is (in addition to the first regular installment payment due) payable on the Repayment Commencement Date. Interest is computed by counting the actual days occurring in a 360-day year.

The Recipient authorizes OBDD to calculate accrued interest as necessary under this Contract, including for purposes of determining a loan amortization schedule or determining the amount of a loan prepayment or loan payoff. Absent manifest error, such calculations will be conclusive.
- C. Loan Payments. Starting on the Repayment Commencement Date and then on each succeeding Payment Date, Recipient shall make level installment payments of principal and interest, each payment sufficient to pay the interest accrued to the date of payment and so much of the principal as will fully amortize the Loan by the Maturity Date, on which date the entire outstanding balance of the Loan is due and payable in full.
- D. Loan Prepayments.
 - (1) Mandatory Prepayment. The Recipient shall prepay all or part of the outstanding balance of the Loan as required by this Contract.
 - (2) Optional Prepayment. The Recipient may prepay all or part of the outstanding balance of the Loan on any day except a Saturday, Sunday, legal holiday or day that banking institutions in Salem, Oregon are closed.
- E. Application of Payments. Regardless of any designation by Recipient, payments and prepayments by Recipient under this Contract or any of the Financing Documents will be applied first to any expenses of OBDD, including but not limited to attorneys’ fees, then to unpaid accrued interest (in

the case of prepayment, on the amount prepaid), then to the principal of the Loan. In the case of a Loan prepayment that does not prepay all the principal of the Loan, OBDD will determine, in its sole discretion, the method for how the Loan prepayment will be applied to the outstanding principal payments. A scheduled payment received before the scheduled repayment date will be applied to interest and principal on the scheduled repayment date, rather than on the day such payment is received.

SECTION 5 - CONDITIONS PRECEDENT

- A. Conditions Precedent to OBDD's Obligations. OBDD's obligations are subject to the receipt of the following items, in form and substance satisfactory to OBDD and its Counsel:
- (1) This Contract duly signed by an authorized officer of Recipient.
 - (2) A copy of the ordinance, order or resolution of the governing body of Recipient authorizing the borrowing and the contemplated transactions and the execution and delivery of this Contract and the other Financing Documents.
 - (3) An opinion of Recipient's Counsel.
 - (4) A copy of an intergovernmental agreement ("IGA") between the Recipient and the John Day Urban Renewal Agency ("URA") that pledges incremental property tax revenues to Recipient for payment of the Loan and that satisfies the requirements of Exhibit B, Section B.2.
 - (5) Such other certificates, documents, opinions and information as OBDD may reasonably require.
- B. Conditions to Disbursements. As to any disbursement, OBDD has no obligation to disburse funds unless all following conditions are met:
- (1) There is no Event of Default.
 - (2) The representations and warranties made in this Contract are true and correct on the date of disbursement as if made on such date.
 - (3) OBDD, in the reasonable exercise of its administrative discretion, has sufficient moneys in the Special Public Works Fund for use in the Project and has sufficient funding, appropriations, limitations, allotments and other expenditure authority to make the disbursement.
 - (4) OBDD (a) has received a completed Disbursement Request, (b) has received any written evidence of materials and labor furnished to or work performed upon the Project, itemized receipts or invoices for payment, and releases, satisfactions or other signed statements or forms as OBDD may require, (c) is satisfied that all items listed in the Disbursement Request are reasonable and that the costs for labor and materials were incurred and are properly included in the Costs of the Project, and (d) has determined that the disbursement is only for costs defined as eligible costs under the Act and any implementing administrative rules and policies.
 - (5) The Recipient has delivered documentation satisfactory to OBDD that, in addition to the Financing Proceeds, Recipient has available or has obtained binding commitments for all funds necessary to complete the Project.
 - (6) The Recipient has delivered to OBDD (in form and substance satisfactory to OBDD) an estimated schedule of Disbursement Requests, including anticipated number, submission dates and amounts.
 - (7) Any conditions to disbursement elsewhere in this Contract or in the other Financing Documents are met.

SECTION 6 - USE OF FINANCIAL ASSISTANCE

- A. Use of Proceeds. The Recipient shall use the Financing Proceeds only for the activities described in Exhibit C and according to the budget in Exhibit D. The Recipient may not transfer Financing Proceeds among line items in the budget without the prior written consent of OBDD.
- B. Costs of the Project. The Recipient shall apply the Financing Proceeds to the Costs of the Project in accordance with the Act and Oregon law, as applicable. Financing Proceeds cannot be used for costs in excess of one hundred percent (100%) of the total Costs of the Project and cannot be used for pre-Award Costs of the Project, unless permitted by Exhibit C.
- C. Costs Paid for by Others. The Recipient may not use any of the Financing Proceeds to cover costs to be paid for by other financing for the Project, whether from OBDD or from another State of Oregon agency or any third party.

SECTION 7 - REPRESENTATIONS AND WARRANTIES OF RECIPIENT

The Recipient represents and warrants to OBDD:

- A. Estimated Project Cost, Funds for Repayment. A reasonable estimate of the Costs of the Project is shown in section 1, and the Project is fully funded. The Recipient will have adequate funds available to repay the Loan, and the Maturity Date does not exceed the usable life of the Project.
- B. Organization and Authority.
 - (1) The Recipient is a Municipality under the Act, and validly organized and existing under the laws of the State of Oregon.
 - (2) The Recipient has all necessary right, power and authority under its organizational documents and under Oregon law to (a) execute and deliver this Contract and the other Financing Documents, (b) incur and perform its obligations under this Contract and the other Financing Documents, and (c) borrow and receive financing for the Project.
 - (3) This Contract and the other Financing Documents executed and delivered by Recipient have been authorized by an ordinance, order or resolution of Recipient's governing body, and voter approval, if necessary, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings.
 - (4) This Contract and the other Financing Documents have been duly executed by Recipient, and when executed by OBDD, are legal, valid and binding, and enforceable in accordance with their terms.
- C. Full Disclosure. The Recipient has disclosed in writing to OBDD all facts that materially adversely affect the Project, or the ability of Recipient to make all payments and perform all obligations required by this Contract and the other Financing Documents. The Recipient has made no false statements of fact, nor has it omitted information necessary to prevent any statements from being misleading. The information contained in this Contract and the other Financing Documents is true and accurate in all respects.
- D. Pending Litigation. The Recipient has disclosed in writing to OBDD all proceedings pending (or to the knowledge of Recipient, threatened) against or affecting Recipient, in any court or before any governmental authority or arbitration board or tribunal, that, if adversely determined, would materially adversely affect the Project or the ability of Recipient to make all payments and perform all obligations required by this Contract and the other Financing Documents.

E. No Events of Default.

- (1) No Events of Default exist or occur upon authorization, execution or delivery of this Contract or any of the Financing Documents.
- (2) The Recipient has not violated, and has not received notice of any claimed violation of, any agreement or instrument to which it is a party or by which the Project or its property may be bound, that would materially adversely affect the Project or the ability of Recipient to make all payments and perform all obligations required by this Contract and the other Financing Documents.

F. Compliance with Existing Agreements and Applicable Law. The authorization and execution of, and the performance of all obligations required by, this Contract and the other Financing Documents will not: (i) cause a breach of any agreement, indenture, mortgage, deed of trust, or other instrument, to which Recipient is a party or by which the Project or any of its property or assets may be bound; (ii) cause the creation or imposition of any third party lien, charge or encumbrance upon any property or asset of Recipient; (iii) violate any provision of the charter or other document pursuant to which Recipient was organized or established; or (iv) violate any laws, regulations, ordinances, resolutions, or court orders related to Recipient, the Project or its properties or operations.

G. Governmental Consent. The Recipient has obtained or will obtain all permits and approvals, and has made or will make all notifications, declarations, filings or registrations, required for the making and performance of its obligations under this Contract and the other Financing Documents, for the financing or refinancing and undertaking and completion of the Project.

SECTION 8 - COVENANTS OF RECIPIENT

The Recipient covenants as follows:

- A. Notice of Adverse Change. The Recipient shall promptly notify OBDD of any adverse change in the activities, prospects or condition (financial or otherwise) of Recipient or the Project related to the ability of Recipient to make all payments and perform all obligations required by this Contract or the other Financing Documents.
- B. Compliance with Laws. The Recipient shall comply with all applicable laws, rules, regulations and orders of any court or governmental authority that relate to this Contract or the other Financing Documents, that relate to the Project. In particular, but without limitation, Recipient shall comply with the following, as applicable:
 - (1) State procurement regulations found in the Oregon Public Contracting Code, ORS chapters 279A, 279B and 279C.
 - (2) State labor standards and wage rates found in ORS chapter 279C.
 - (3) OAR 123-042-0165 (5) requirements for signs and notifications.

These laws, rules, regulations and orders are incorporated by reference in this Contract to the extent required by law.

C. Project Completion Obligations. The Recipient shall:

- (1) When procuring professional consulting services, provide OBDD with copies of all solicitations at least 10 days before advertising, and all contracts at least 10 days before signing.
- (2) Provide OBDD with copies of all plans and specifications relating to the Project, and a timeline for the bidding/award process, at least ten (10) days before advertising for bids.

- (3) Provide a copy of the bid tabulation, notice of award, and contract to OBDD within ten (10) days after selecting a construction contractor.
- (4) Permit OBDD to conduct inspection of the Project at any time.
- (5) Complete the Project using its own fiscal resources or money from other sources to pay for any Costs of the Project in excess of the total amount of financial assistance provided pursuant to this Contract.
- (6) Complete the Project no later than the Project Completion Deadline, unless otherwise permitted by the OBDD in writing.
- (7) Obtain and maintain as-built drawings for all facilities constructed as part of the Project.

- D. Ownership of Project. During the term of the Loan, the Project is and will continue to be owned by Recipient. The Project will be operated by Recipient or by a person under a management contract or operating agreement with Recipient. Any such management contract or operating agreement will be structured as a “qualified management contract” as described in IRS Revenue Procedure 97-13, as amended or supplemented.
- E. Operation and Maintenance of the Project. The Recipient shall operate and maintain the Project in good repair and operating condition so as to preserve the long-term public benefits of the Project, including making all necessary and proper repairs, replacements, additions, and improvements during term of the Loan. On or before the Project Closeout Deadline, Recipient shall adopt a plan acceptable to OBDD for the on-going operation and maintenance of the Project without reliance on OBDD financing and furnish OBDD, at its request, with evidence of such adoption. The plan must include measures for generating revenues sufficient to assure the operation and maintenance of the Project during the usable life of the Project.
- F. Insurance, Damage. The Recipient shall maintain, or cause to be maintained, insurance policies with responsible insurers or self-insurance programs, insuring against liability and risk of direct physical loss, damage or destruction of the Project, at least to the extent that similar insurance is customarily carried by governmental units constructing, operating and maintaining similar facilities. Nothing in this provision precludes Recipient from asserting a defense against any party other than OBDD, including a defense of immunity. If the Project or any portion is destroyed, any insurance proceeds will be paid to OBDD and applied to prepay the outstanding balance on the Loan in accordance with section 4.D.(1), unless OBDD agrees in writing that the insurance proceeds may be used to rebuild the Project.
- G. Sales, Leases and Encumbrances. Except as specifically described in Exhibit C, Recipient shall not sell, lease, exchange, abandon, transfer or otherwise dispose of any substantial portion of or interest in the Project or any system that provides revenues for payment or is security for the Loan, unless worn out, obsolete, or, in the reasonable business judgment of Recipient, no longer useful in the operation of the Project. Nevertheless, OBDD may consent to such disposition if it has received 90 days’ prior written notice from Recipient. Such consent may require assumption by transferee of all of Recipient’s obligations under the Financing Documents and payment of OBDD’s costs related to such assumption, and receipt by OBDD of an opinion of Bond Counsel to the effect that such disposition complies with applicable law and will not adversely affect the exclusion of interest on any Lottery Bonds from gross income for purposes of federal income taxation under Section 103(a) of the Code. The term “Bond Counsel” means a law firm determined by OBDD to have knowledge and expertise in the field of municipal law and whose opinions are generally accepted by purchasers of municipal bonds. In the case of sale, exchange, transfer or other similar disposition, Recipient shall, within 30 days of receipt of any proceeds from such disposition, prepay the entire outstanding balance on the Loan in accordance with section 4.D.(1), unless OBDD agrees otherwise in writing. If

Recipient abandons the Project, Recipient shall prepay the entire outstanding balance of the Loan immediately upon demand by OBDD.

- H. Condemnation Proceeds. If the Project or any portion is condemned, any condemnation proceeds will be paid to OBDD and applied to prepay the outstanding balance of the Loan in accordance with section 4.D.(1).
- I. Financial Records. The Recipient shall keep accurate books and records for the revenues and funds that are the source of repayment of the Loan, separate and distinct from its other books and records, and maintain them according to generally accepted accounting principles established by the Government Accounting Standards Board in effect at the time. The Recipient shall have these records audited annually by an independent certified public accountant, which may be part of the annual audit of all records of Recipient.
- J. Inspections; Information. The Recipient shall permit OBDD and any party designated by OBDD: (i) to inspect, at any reasonable time, the property, if any, constituting the Project; and (ii) at any reasonable time, to inspect and make copies of any accounts, books and records, including, without limitation, its records regarding receipts, disbursements, contracts, investments and any other related matters, and financial statements or other documents related to its financial standing. The Recipient shall supply any related reports and information as OBDD may reasonably require. In addition, Recipient shall, upon request, provide OBDD with copies of loan documents or other financing documents and any official statements or other forms of offering prospectus relating to any other bonds, notes or other indebtedness of Recipient that are issued after the date of this Contract.
- K. Records Maintenance. The Recipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Contract, the Project or the Financing Proceeds until the date that is three years following the later of the final maturity of the Lottery Bonds or the final maturity or redemption date of any obligation, or series of obligations, that refinanced the Lottery Bonds, or such longer period as may be required by other provisions of this Contract or applicable law. Such documentation includes, but may not be limited to, all documentation necessary to establish the uses and investment of the Loan proceeds, all construction contracts and invoices detailing the costs paid from Loan proceeds, and all contracts related to the uses of the Project, including leases, management contracts and service contracts that relate to the use of the Project.
- L. Economic Benefit Data. The OBDD may require Recipient to submit specific data on the economic development benefits of the Project and other information to evaluate the success and economic impact of the Project, from the date of this Contract until six years after the Project Completion Date. The Recipient shall, at its own expense, prepare and submit the data within the time specified by OBDD.
- M. Disadvantaged Business Enterprises. ORS 200.090 requires all public agencies to “aggressively pursue a policy of providing opportunities for disadvantaged business enterprises, minority-owned businesses, woman-owned businesses, businesses that service-disabled veterans own and emerging small businesses...” OBDD encourages Recipient in any contracting activity to follow good faith efforts as described in ORS 200.045, available at https://www.oregonlegislature.gov/bills_laws/ors/ors200.html. Additional resources are provided by the Governor’s Policy Advisor for Economic and Business Equity. Also, the Certification Office for Business Inclusion and Diversity at the Oregon Business Development Department maintains a list of certified firms and can answer questions. Search for certified MWESB firms on the web at: <https://oregon4biz.diversitysoftware.com/FrontEnd/VendorSearchPublic.asp>.
- N. Professional Responsibility. A professional engineer or architect, as applicable, registered and in good standing in Oregon, will be responsible for the design and construction of the Project. All

service providers retained for their professional expertise must be certified, licensed, or registered, as appropriate, in the State of Oregon for their specialty. The Recipient shall follow standard construction practices, such as bonding requirements for construction contractors, requiring errors and omissions insurance, and performing testing and inspections during construction.

O. Notice of Event of Default. The Recipient shall give OBDD prompt written notice of any Event of Default, or any circumstance that with notice or the lapse of time, or both, may become an Event of Default, as soon as Recipient becomes aware of its existence or reasonably believes an Event of Default is likely.

P. Contributory Liability and Contractor Indemnification.

(1) If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“Third Party Claim”) against a party (the “Notified Party”) with respect to which the other party may have liability, the Notified Party must promptly notify the other party in writing and deliver a copy of the claim, process, and all legal pleadings related to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. The foregoing provisions are conditions precedent for either party’s liability to the other in regard to the Third Party Claim.

If the parties are jointly liable (or would be if joined in the Third Party Claim), the parties shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable in such proportion as is appropriate to reflect their respective relative fault. The relative fault of the parties shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Each party’s contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if that party had sole liability in the proceeding. This Section shall survive termination of this Contract.

(2) Recipient shall take all reasonable steps to require its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents (“Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys’ fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Recipient’s contractor or any of the officers, agents, employees or subcontractors of the contractor (“Claims”). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims. This Section shall survive termination of this Contract.

Q. Further Assurances. The Recipient shall, at the request of OBDD, authorize, sign, acknowledge and deliver any further resolutions, conveyances, transfers, assurances, financing statements and other instruments and documents as may be necessary or desirable for better assuring, conveying, granting, assigning and confirming the rights, security interests and agreements granted or intended to be granted by this Contract and the other Financing Documents.

S. Exclusion of Interest from Federal Gross Income and Compliance with Code.

(1) The Recipient shall not take any action or omit to take any action that would result in the loss of the exclusion of the interest on any Lottery Bonds from gross income for purposes of federal income taxation, as governed by Section 103(a) of the Code. OBDD may decline to disburse

the Financing Proceeds if it finds that the federal tax exemption of the Lottery Bonds cannot be assured.

- (2) The Recipient shall not take any action (including but not limited to the execution of a management agreement for the operation of the Project) or omit to take any action that would cause any Lottery Bonds to be “private activity bonds” within the meaning of Section 141(a) of the Code. Accordingly, unless Recipient receives the prior written approval of OBDD, Recipient shall not permit in excess of ten percent (10%) of either (a) the Financing Proceeds or (b) the Project financed or refinanced with the Financing Proceeds to be directly or indirectly used in any manner that would constitute “private business use” within the meaning of Section 141(b)(6) of the Code, including not permitting more than one half of any permitted private business use to be “disproportionate related business use” or private business use unrelated to the government use of the Financing Proceeds. Unless Recipient receives the prior written approval of OBDD, Recipient shall not directly or indirectly use any of the Financing Proceeds to make or finance loans to persons other than governmental units, as that term is used in Section 141(c) of the Code.
- (3) The Recipient shall not directly or indirectly use or permit the use of any of the Financing Proceeds or any other funds, or take any action or omit to take any action, which would cause any Lottery Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code.
- (4) The Recipient shall not cause any Lottery Bonds to be treated as “federally guaranteed” for purposes of Section 149(b) of the Code, as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to “federally guaranteed” obligations described in Section 149(b) of the Code. For purposes of this paragraph, any Lottery Bonds will be treated as “federally guaranteed” if: (a) all or any portion of the principal or interest is or will be guaranteed directly or indirectly by the United States of America or any agency or instrumentality thereof, or (b) five percent (5%) or more of the proceeds of the Lottery Bonds will be (i) used in making loans if the payment of principal or interest is guaranteed in whole or in part by the United States of America or any agency or instrumentality thereof, or (ii) invested directly or indirectly in federally insured deposits or accounts, and (c) none of the exceptions described in Section 149(b)(3) of the Code apply.
- (5) The Recipient shall assist OBDD to ensure that all required amounts are rebated to the United States of America pursuant to Section 148(f) of the Code. The Recipient shall pay to OBDD such amounts as may be directed by OBDD to satisfy the requirements of Section 148(f) applicable to the portion of the proceeds of any tax-exempt bonds, including any Financing Proceeds or other amounts held in a reserve fund. The Recipient further shall reimburse OBDD for the portion of any expenses it incurs related to the Project that is necessary to satisfy the requirements of Section 148(f) of the Code.
- (6) Upon OBDD’s request, Recipient shall furnish written information regarding its investments and use of Financing Proceeds, and of any facilities financed or refinanced therewith, including providing OBDD with any information and documentation that OBDD reasonably determines is necessary to comply with the arbitrage and private use restrictions that apply to the Lottery Bonds.
- (7) Notwithstanding anything to the contrary, so long as is necessary to maintain the exclusion from gross income for purposes of federal income taxation of interest on any Lottery Bonds, the covenants contained in this subsection will survive the payment of the Loan and the Lottery Bonds, and the interest thereon, including the application of any unexpended Financing

Proceeds. The Recipient acknowledges that the Project may be funded with proceeds of the Lottery Bonds and that failure to comply with the requirements of this subsection could adversely affect any exclusion of the interest on the Lottery Bonds from gross income for federal income tax purposes.

- (8) Neither Recipient nor any related party to Recipient, within the meaning of 26 C.F.R. §1.150-1(b), shall purchase any Lottery Bonds, from which proceeds were used to finance the Project, in an amount related to the amount of the Loan.
- (9) The Recipient may use the Financing Proceeds to reimburse itself for Project expenditures made prior to the funding of the Project only if permitted by Exhibit C and only if such reimbursement is allowed under one of the following four categories pursuant to 26 C.F.R. §1.150-2:
 - (a) Preliminary expenditures such as architectural, engineering, surveying, soil testing, bond issuance and similar costs that, in the aggregate, are not in excess of 20% of the Financing Proceeds. Costs of land acquisition, site preparation and similar costs incident to commencement of construction are not preliminary expenditures.
 - (b) Expenditures for issuance costs.
 - (c) Expenditures that are described in a reimbursement resolution or other declaration of official intent that satisfies the requirements of 26 C.F.R. §1.150-2 and paid no earlier than 60 days prior to the adoption of such resolution or official intent.
 - (d) Expenditures paid within 60 days prior to the date the Loan funded.

SECTION 9 - DEFAULTS

Any of the following constitutes an “Event of Default”:

- A. The Recipient fails to make any Loan payment when due.
- B. The Recipient fails to make, or cause to be made, any required payments of principal, redemption premium, or interest on any bonds, notes or other material obligations, for any other loan made by the State of Oregon.
- C. Any false or misleading representation is made by or on behalf of Recipient in this Contract, in any other Financing Document or in any document provided by Recipient related to this Loan or the Project or in regard to compliance with the requirements of Section 103 and Sections 141 through 150 of the Code.
- D.
 - (1) A petition, proceeding or case is filed by or against Recipient under any federal or state bankruptcy or insolvency law, and in the case of a petition filed against Recipient, Recipient acquiesces to such petition or such petition is not dismissed within 20 calendar days after such filing, or such dismissal is not final or is subject to appeal;
 - (2) The Recipient files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, liquidation, dissolution, winding-up or composition or adjustment of debts;
 - (3) The Recipient becomes insolvent or bankrupt or admits its inability to pay its debts as they become due, or makes an assignment for the benefit of its creditors;

- (4) The Recipient applies for or consents to the appointment of, or taking of possession by, a custodian (including, without limitation, a receiver, liquidator or trustee) of Recipient or any substantial portion of its property; or
 - (5) The Recipient takes any action for the purpose of effecting any of the above.
- E. The Recipient defaults under any other Financing Document and fails to cure such default within the applicable grace period.
- F. The Recipient fails to perform any obligation required under this Contract, other than those referred to in subsections A through E of this section 9, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by OBDD. The OBDD may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action.

SECTION 10 - REMEDIES

- A. Remedies. Upon any Event of Default, OBDD may pursue any or all remedies in this Contract or any other Financing Document, and any other remedies available at law or in equity to collect amounts due or to become due or to enforce the performance of any obligation of Recipient. Remedies may include, but are not limited to:
- (1) Terminating OBDD's commitment and obligation to make any further disbursements of Financing Proceeds under the Contract.
 - (2) Declaring all payments under the Contract and all other amounts due under any of the Financing Documents immediately due and payable, and upon notice to Recipient the same become due and payable without further notice or demand.
 - (3) Barring Recipient from applying for future awards.
 - (4) Withholding amounts otherwise due to Recipient for application to the payment of amounts due under this Contract, including as provided in ORS 285B.449.
 - (5) Foreclosing liens or security interests pursuant to this Contract or any other Financing Document.
- B. Application of Moneys. Any moneys collected by OBDD pursuant to section 10.A will be applied first, to pay any attorneys' fees and other fees and expenses incurred by OBDD; then, to pay interest due on the Loan; then, to pay principal due on the Loan; and last, to pay any other amounts due and payable under this Contract or any of the Financing Documents.
- C. No Remedy Exclusive; Waiver; Notice. No remedy available to OBDD is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right power or privilege under this Contract or any of the Financing Documents will preclude any other or further exercise thereof or the exercise of any other such right, power or privilege. The OBDD is not required to provide any notice in order to exercise any right or remedy, other than notice required in section 9 of this Contract.
- D. Default by OBDD. In the event OBDD defaults on any obligation in this Contract, Recipient's remedy will be limited to injunction, special action, action for specific performance, or other available equitable remedy for performance of OBDD's obligations.

SECTION 11 - MISCELLANEOUS

- A. Time is of the Essence. The Recipient agrees that time is of the essence under this Contract and the other Financing Documents.
- B. Relationship of Parties; Successors and Assigns; No Third Party Beneficiaries.
- (1) The parties agree that their relationship is that of independent contracting parties and that Recipient is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265.
 - (2) Nothing in this Contract gives, or is to be construed to give, directly or indirectly, to any third persons any rights and benefits greater than those enjoyed by the general public.
 - (3) This Contract will be binding upon and inure to the benefit of OBDD, Recipient, and their respective successors and permitted assigns.
 - (4) The Recipient may not assign or transfer any of its rights or obligations or any interest in this Contract or any other Financing Document without the prior written consent of OBDD. The OBDD may grant, withhold or impose conditions on such consent in its sole discretion. In the event of an assignment, Recipient shall pay, or cause to be paid to OBDD, any fees or costs incurred because of such assignment, including but not limited to attorneys' fees of OBDD's Counsel and Bond Counsel. Any approved assignment is not to be construed as creating any obligation of OBDD beyond those in this Contract or other Financing Documents, nor does assignment relieve Recipient of any of its duties or obligations under this Contract or any other Financing Documents.
 - (5) The Recipient hereby approves and consents to any assignment, sale or transfer of this Contract and the Financing Documents that OBDD deems to be necessary.
- C. Disclaimer of Warranties; Limitation of Liability. The Recipient agrees that:
- (1) OBDD makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the Project or any portion of the Project, or any other warranty or representation.
 - (2) The liability of the OBDD under this Contract is contingent upon the availability of moneys in the Special Public Work Fund for use in the project, and in no event are OBDD or its agents liable or responsible for any direct, indirect, incidental, special, consequential or punitive damages in connection with or arising out of this Contract or the existence, furnishing, functioning or use of the Project.
- D. Notices and Communication. Except as otherwise expressly provided in this Contract, any communication between the parties or notices required or permitted must be given in writing by personal delivery, email, or by mailing the same, postage prepaid, to Recipient or OBDD at the addresses set forth below, or to such other persons or addresses that either party may subsequently indicate pursuant to this Section.
- Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five (5) days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system or 2) the recipient's confirmation of receipt, whichever is earlier. Notwithstanding this provision, the following notices may not be given by email: notice of default or notice of termination.

- E. No Construction against Drafter. This Contract is to be construed as if the parties drafted it jointly.
- F. Severability. If any term or condition of this Contract is declared by a court of competent jurisdiction as illegal, invalid or unenforceable, that holding will not invalidate or otherwise affect any other provision.
- G. Amendments, Waivers. This Contract may not be amended without the prior written consent of OBDD (and when required, the Department of Justice) and Recipient. This Contract may not be amended in a manner that is not in compliance with the Act. No waiver or consent is effective unless in writing and executed by the party against whom such waiver or consent is sought to be enforced. Such waiver or consent will be effective only in the specific instance and for the specific purpose given.
- H. Attorneys' Fees and Other Expenses. To the extent permitted by the Oregon Constitution and the Oregon Tort Claims Act, the prevailing party in any dispute arising from this Contract is entitled to recover its reasonable attorneys' fees and costs at trial and on appeal. Reasonable attorneys' fees cannot exceed the rate charged to OBDD by its attorneys. The Recipient shall, on demand, pay to OBDD reasonable expenses incurred by OBDD in the collection of Loan payments.
- I. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Contract, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Contract shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- J. Integration. This Contract (including all exhibits, schedules or attachments) and the other Financing Documents constitute the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Contract.

K. Execution in Counterparts. This Contract may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument. The Recipient, by its signature below, acknowledges that it has read this Contract, understands it, and agrees to be bound by its terms and conditions.

EXHIBIT B - SECURITY

- A. Full Faith and Credit Pledge. The Recipient pledges its full faith and credit and taxing power within the limitations of Article XI, sections 11 and 11 b, of the Oregon Constitution to pay the amounts due under this Contract. All amounts due under this Contract are payable from and secured by all lawfully available funds of Recipient.
- B. Incremental Property Tax Revenues of Urban Renewal Agency.
1. The Loan shall be repaid from the ad valorem property tax revenues from property within the City of John Day's Urban Renewal Area (the "Area") which are attributable to the increase in assessed value of property within the Area as described in Section 1c, Article IX of the Oregon Constitution and ORS Chapter 457 (the "Incremental Property Tax Revenues") and includes all earnings thereon ("the Incremental Property Tax Revenues"). The Incremental Property Tax Revenues have been pledged to Recipient by the John Day Urban Renewal Agency (the "URA") as described in an intergovernmental agreement ("IGA") between the Recipient and the URA. Recipient shall hold the Incremental Property Tax Revenues for the Area transferred by the URA to the Recipient in a segregated fund ("Fund"). The Recipient hereby grants to OBDD a security interest in and irrevocably pledges the Incremental Property Tax Revenues held in the Fund to pay all of the obligations owed by Recipient to OBDD under the Contract. The Incremental Property Tax Revenues pledged and hereafter received by Recipient and held in the Fund will be immediately subject to the lien of this pledge without physical delivery or further act, and the lien of this pledge will be superior to all other claims and liens to the fullest extent permitted by ORS 287A.310. The Recipient represents and warrants that this pledge of Incremental Property Tax Revenues complies with, and is valid and binding from the effective date of this Contract as described in ORS 287A.310.
 2. The Recipient hereby represents and warrants that, pursuant to the IGA:
 - (a) The URA has pledged the Incremental Property Tax Revenues to the Recipient for payment of the Loan Payments and other obligations of this Financing Contract and the IGA is a valid and binding obligation of the URA and the Recipient, enforceable in accordance with its terms.
 - (b) The URA has covenanted that: (1) the URA will not incur, on or after the date of the IGA, any obligations payable from or secured by a lien on or pledge of the Incremental Property Tax Revenues that is superior to or on a parity with the lien of the pledge made under the IGA without the written consent of the Recipient; (2) the URA will not remove any property from the Area if such removal will cause the anticipated Incremental Property Tax Revenues to be inadequate to pay the annual debt service on the Loan and any other obligations payable from or secured by a lien on or pledge of the Incremental Property Tax Revenues; (3) the URA has represented and warranted that the Loan is within the maximum amount of indebtedness that may be incurred under the John Day Housing Incentives Plan (name of the statutorily required urban renewal plan for the URA); and (4) the URA will transfer the Incremental Property Tax Revenues as described in Section B.1 above to the Recipient.
 - (c) The Recipient shall not provide consent to the URA, as required by the IGA, to incur any obligations payable from or secured by a lien on and pledge of the Incremental Property Tax Revenues that is superior to or on a parity with the Loan without OBDD's written consent.
 - (d) Recipient agrees that it shall not amend the IGA without the prior written consent of Department, which consent shall not be unreasonably withheld or delayed.
 - (e) Recipient shall enforce the URA's performance of the URA's obligations under the IGA, as necessary or desirable to enable Recipient's compliance with the terms and conditions of this Contract and Recipient's performance of its obligations under this Contract.

EXHIBIT C - PROJECT DESCRIPTION

The Project will complete initial construction of streets and support utility infrastructure for the development of 100 homes. The land where the homes will be developed has been approved for development by the John Day Planning Commission, and Recipient has entered into development agreements with the landowners for each of the three home project areas (listed below). The combination of the three project areas will result in approximately 5,000 linear feet of new streets, with associated municipally owned stormwater, water, sewer, power, and fiber optic infrastructure. The Loan funds will only be used for costs of municipally-owned infrastructure.

This Recipient will complete the following improvements:

Holmstrom Ranch (East Charolais Heights) - This portion of the Project improves the end of 7th Street to current city standards; adds sewer, water, power, and fiber optic services to four additional lots; and improves emergency access to 7th Street. Approximately 750 linear feet of pavement and municipally-owned water, sewer and broadband utilities will be installed.

The Ridge (East Main Street/Hwy 26) - This portion of the Project includes the expansion of streets and utilities to develop approximately 18.3 acres with 10 multi-family and single-family residential lots. The Ridge will include construction of 2,500 linear feet of new pavement with supporting utility infrastructure installed to city standards. Power and fiber optics are located overhead at HWY 26 and will be installed underground along the new streets in addition to new water and sewer lines. As part of the road construction, municipally-owned water, sewer and broadband utilities will be installed prior to construction of the pavement. A roadside ditch and crossroad culverts will divert runoff away from future structures and into the existing drainages.

Ironwood Estates (Valley View Drive) - This portion of the Project includes the expansion of streets and utilities for Ironwood Estates Phase 2, to develop approximately 15.2 Acres for 17 single-family residential lots. Ironwoods Estates will include construction of 1,750 linear feet of new pavement by building two new cul-de-sacs and associated utilities. As part of the road construction, municipally-owned water, sewer and broadband utilities will be installed prior to construction of the pavement.

Pre-award costs have been authorized and are limited to no more than 20% of the total cost of the project cost or \$370,353.40. Pre-award costs include piping and other construction costs that will enable the city to complete this Project in a timely manner
