Mayor Ron Lundbom gave a background account of actions that have been taking place since Interim City Manager, Corum Ketchum resigned. Ron Lundbom has been in contact with Jeremy Green the city Attorney, The League of Oregon, and the City of John Day Insurance Company CIS. All having the best interest of John Day in mind have been very helpful during this process and keeping the city running is very important.

It has been suggested that the City Council authorize someone to perform certain city manager's duties and responsibilities. Someone to sign checks, approve transactions, return calls, help get the information out that we are looking for a new City Manager and City Planner.

Mayor Ron Lundbom and Council President David Holland are the only 2 signer left on the board, Ron asked if David would be interested in the temporary position and he declined. Ron said he would do it if David agreed and presented the option to the rest of the City Council.

After Councilor and Public comments and questions, Mayor Lundbom invited the councilors to make any motions as a result of the discussion.

Councilor Elliot Sky made a motion to pass Resolution No. 22-900-21, A resolution of the City of John Day Authorizing Mayor Ron Lundbom and Council President David Holland to perform certain City Manager duties and responsibilities
