Ben Ariff will be bringing the deliverables that they have been working on and bring a final update to council to close out their contract.

b. **Greenhouse appraisal**

We need to discuss where we go from here, the contract that council talked about last June/July was never started or drafted and we need to figure out where we go from here and do we need to post it or get an appraisal for the purchase price.

c. **Homeless Ordinance**

This is just a rough draft for council to start reviewing and we need to set some dates for August to start the process to approve the ordinance, Townhall/public meetings, etc.

d. **Council Seat**

We have one seat (#6) open and we have one application by Shannon Adair, there was also an application dropped off by Edward Newby on Saturday the 15th which was the original date that council talked about and we stated in the minutes. We need council to decide how to proceed.
