RE: **Project Agreement**
Local Government Grant Program
LG19-032 – John Day Aquatic Center Study and Master Plan

Nick:

Congratulations on your successful application for grant funds for the John Day Aquatic Center Study and Master Plan project.

Enclosed you will find two original copies of the **Local Government Grant Program Agreement** between Oregon Parks and Recreation Department (OPRD) and the City of John Day. This agreement must be approved and signed by you or the appropriate representative, and our office, in order to receive grant funds.

Please sign both copies of this agreement and return them both to our office. We will then return a fully signed agreement to you along with a **Notice to Proceed** letter. Work must not begin until you receive the Notice to Proceed letter and a copy of this agreement, signed by the State. Any work completed prior to receiving the Notice to Proceed is not eligible for reimbursement or as match.

Timely implementation and completion of this project is extremely important. This project should be completed by **October 31, 2021**. This will ensure continued credibility and success of the Local Government Grant Program by demonstrating effective results to citizens and policy makers.

We encourage you to offer appropriate media opportunities and, when possible, involve your local legislators to help build public awareness of the project's purpose and benefits. Please notify me for any event celebrating your project's completion.

If you have questions or if I can be of any assistance please feel free to contact me at 503-986-0591 or mark.cowan@oregon.gov. Thank you for helping make this valuable investment in Oregon's outdoor recreation.

Sincerely,

Mark Cowan

Attachment A – Standard Terms and Conditions

Oregon Parks and Recreation Department Local Government Grant Program Agreement

1. **Compliance with Law:** Grantee shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to implementation of the Project, including without limitation, OAR chapter 736, Division 6 (the Local Government Grant Program administrative rules).
2. **Compliance with Workers Compensation Laws:** All employers, including Grantee, that employ subject workers who provide services in the State of Oregon shall comply with ORS.656.017 and provide the required Worker's Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included.
3. **Amendments:** This Agreement may be amended only by a written amendment to the Agreement, executed by the parties.
4. **Expenditure Records:** Grantee shall document, maintain and submit records to OPRD for all Project expenses in accordance with generally accepted accounting principles, and in sufficient detail to permit OPRD to verify how Grant Funds were expended. These records shall be retained by the Grantee for at least six years after the Agreement terminates. The Grantee agrees to allow Oregon Secretary of State auditors and State agency staff access to all records related to this Agreement for audit and inspection and monitoring of services. Such access will be during normal business hours, or by appointment. Grantee shall ensure that each of its subgrantees and subcontractors complies with these requirements.
5. **Equipment:** Equipment purchased with Local Government Grant Program funds must be used as described in the Project Agreement and Application throughout the equipment's useful life. The Grantee will notify the State prior to the disposal of equipment and will coordinate with the State on the disposal to maximize the equipment's ongoing use for the benefit of the Local Government Grant Program.
6. **Use of Project Property:** Grantee warrants that the land within the Project boundary described in the Application (Attachment B) shall be dedicated and used for a period of no less than 25 years from the completion of the Project. Grantee agrees to not change the use of, sell, or otherwise dispose of the land within the Project boundary, except upon written approval by OPRD. If the Project is located on land leased from the federal government, the lease shall run for a period of at least 25 years after the date the Project is completed. If the Project is located on land leased from a private or public entity, other than the federal government, the lease shall run for a period of at least 25 years after the date the Project is completed, unless the lessor under the lease agrees that, in the event the lease is terminated for any reason, the land shall continue to be dedicated and used as described in the Project Application for a period of at least 25 years after the date the Project is completed.

Land acquired using Local Government Grant funds shall be dedicated, by an instrument recorded in the county records, for recreational use in perpetuity, unless OPRD or a successor agency consents to removal of the dedication.

7. **Conversion of Property:** Grantee further warrants that if the Grantee converts lands within the Project boundary to a use other than as described in the grant application or disposes of such land by sale or any other means ("Converted Land"), the Grantee must provide replacement land acceptable to OPRD within 24 months of the date of the conversion or disposal or, if the conversion or disposal is not discovered by OPRD until a later date, within 24 months after the discovery of the

conversion or disposal.

If replacement land cannot be obtained within the 24 month period, the Grantee will provide payment of the grant program's prorated share of the current fair market value of the Converted Land to the State. The prorated share is measured by that percentage of the original grant (plus any amendments) as compared to the original Project cost(s). The replacement land must be equal to the current fair market value of the Converted Land, as determined by an appraisal. The recreation utility of the replacement land must also be equal to that of the Converted Land.

If conversion occurs through processes outside of the Grantee's control such as condemnation or road replacement or realignment, the Grantee must pay to the State a prorated share of the consideration paid to the Grantee by the entity that caused the conversion. The State's prorated share is measured by the percentage of the original grant (plus any amendments) as compared to the original Project cost(s).

The warranties set forth in Section 6 and this Section 7 of this Agreement are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

8. **Contribution:** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the State is jointly liable with the Grantee (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Grantee in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Grantee on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the Grantee on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

The relative fault of the Grantee on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Grantee's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

Grantee shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Grantee's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.

9. **Inspection of Equipment and Project Property:** Grantee shall permit authorized representatives of State, the Secretary, or their designees to perform site reviews of the Project, and to inspect all Equipment, real property, facilities, and other property purchased by Grantee as part of the Project.
10. **Public Access:** The Grantee shall allow open and unencumbered public access to the completed Project to all persons without regard to race, color, religious or political beliefs, sex, national origin or place of primary residence.
11. **Condition for Disbursement:** Disbursement of grant funds by OPRD is contingent upon OPRD having received sufficient funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow OPRD, in the exercise of its reasonable administrative discretion, to make the disbursement and upon Grantee's compliance with the terms of this Agreement.
12. **No Third Party Beneficiaries.** OPRD and Grantee are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as intended beneficiary of the terms of this Agreement.
13. **Repayment:** In the event that the Grantee spends Grant Funds in any way prohibited by state or federal law, or for any purpose other than the completion of the Project, the Grantee shall reimburse the State for all such unlawfully or improperly expended funds. Such payment shall be made within 15 days of demand by the State.
14. **Termination:** This Agreement may be terminated by mutual consent of both parties, or by either party upon a 30-day notice in writing, delivered by certified mail or in person to the other party's contact identified in the Agreement. On termination of this Agreement, all accounts and payments will be processed according to the financial arrangements set forth herein for Project costs incurred prior to date of termination. Full credit shall be allowed for reimbursable expenses and the non-cancelable obligations properly incurred up to the effective date of the termination.
15. **Governing Law:** The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement. Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County. Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.
16. **Entire Agreement:** This Agreement constitutes the entire Agreement between the parties. No

waiver, consent, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both parties. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. There are no understandings, Agreements, or representations, oral or written, not specified herein regarding this Agreement. The Grantee, by signature of its authorized representative on the Agreement, acknowledges that the Grantee has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

17. **Notices:** Except as otherwise expressly provided in this Agreement, any communications between the parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email, or mailing the same, postage prepaid, to Grantee contact or State contact at the address or number set forth in this Agreement, or to such other addresses or numbers as either party may hereinafter indicate. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against State, such facsimile transmission must be confirmed by telephone notice to State Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received, or five days after mailing.
18. **Counterparts:** This agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart.
19. **Severability:** If any term or provision of this agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
