State Hazard Mitigation Officer  
Oregon Military Department  
Office of Emergency Management  
P.O. Box 14370  
Salem, Oregon 97309

Dear Ms. Bashant:

As requested, on Tuesday, June 30, 2020, the U.S. Department of Homeland Security's Federal Emergency Management Agency (FEMA), Region 10, completed a pre-adoption review of the ***Grant County, Oregon Multi-Jurisdictional Natural Hazards Mitigation Plan***. This letter serves as Region 10's commitment to approve the plan upon receiving documentation of its adoption by Grant County and participating jurisdictions. The plan successfully contains the required criteria, excluding the adoption, for hazard mitigation plans, as outlined in Code of Federal Regulation Title 44 Part 201.

Once FEMA approves the plan, Grant County and participating jurisdictions are eligible for mitigation project grants.

Please contact our Regional Mitigation Planning Program Manager, John Schelling, at (425) 487-2104 with any questions.

Sincerely,

Tamra Biasco  
Chief, Risk Analysis Branch  
Mitigation Division
