

FEMA

September 3, 2020

The Honorable Scott W. Meyers
County Judge, Grant County, OR
201 S. Humbolt Street
Suite 280
Canyon City, Oregon 97820

Dear Judge Meyers:

On September 3, 2020, the United States Department of Homeland Security's Federal Emergency Management Agency (FEMA) Region 10, approved the Grant County Multi-Jurisdictional Hazard Mitigation Plan as a multi-jurisdictional local plan as outlined in Code of Federal Regulations Title 44 Part 201. This approval provides the below jurisdictions eligibility to apply for the Robert T. Stafford Disaster Relief and Emergency Assistance Act's, Hazard Mitigation Assistance grants projects through September 2, 2025, through your state:

Grant County

City of John Day

FEMA individually evaluates all application requests for funding according to the specific eligibility requirements of the applicable program. Though a specific mitigation activity or project identified in the plan may meet the eligibility requirements, it may not automatically receive approval for FEMA funding under any of the aforementioned programs. Over the next five years, we encourage your communities to follow the plan's schedule for monitoring and updating, and to develop further mitigation actions. To continue eligibility, jurisdictions must review, revise as appropriate, and resubmit the plan within five years of the original approval date.

If you have questions regarding your plan's approval, please contact Joseph Murray, State Hazard Mitigation Planner with the Oregon Military Department, Office of Emergency Management, at 503-378-3929, who coordinates and administers these efforts for local entities. If you have questions regarding FEMA's mitigation grant programs, please contact Amie Bashant, State Hazard Mitigation Officer with the Oregon Military Department, Office of Emergency Management, at 503-378-4660.

Sincerely,

Kristen Meyers, Director
Mitigation Division
