

ORDINANCE NO. 15-163-01

AN ORDINANCE OF THE CITY OF JOHN DAY ESTABLISHING TIME, PLACE, AND MANNER REGULATIONS CONCERNING MEDICAL MARIJUANA FACILITIES (DISPENSARIES); AND DECLARING AN EMERGENCY.

WHEREAS, the City of John Day (“City”) has all powers that the constitutions, statutes, and common law of the United States and Oregon expressly or impliedly grant or allow City; and

WHEREAS, the John Day City Council (the “Council”) finds that the unique characteristics of medical marijuana dispensary operations and their potential impacts necessitate the (a) establishment of particular reasonable time, place, and manner regulations for such operations, and (b) a separate permitting process for such dispensaries; and

WHEREAS, City desires to reasonably regulate medical marijuana dispensary operations in an effort to protect the public health, safety, and welfare.

NOW, THEREFORE, the City of John Day ordains as follows:

The fee amount will be set from time to time by Council resolution. No portion of the fee is refundable if a permit is denied or operation of the dispensary is discontinued for any reason. A separate permit application must be submitted for each proposed dispensary location. The permit application documents may be included as part of City's business license application materials and must contain, at minimum, the following:

Permit renewal application materials may be included as part of City's business license renewal application materials. No portion of the fee is refundable if a permit is denied or operation of the dispensary is discontinued for any reason.

5.3 Termination. A dispensary permit terminates automatically on June 30 of each year unless a permit renewal application is prior approved. A dispensary permit terminates automatically and without further act of City if any federal and/or state statutes, laws, regulations, ordinances, and/or guidelines are modified, changed, and/or interpreted in a manner by state or federal law enforcement officials so as to prohibit operation of the dispensary under this Ordinance.

Marijuana and tobacco products must not be consumed, ingested, inhaled, and/or topically applied anywhere on the premises of the dispensary, except that an employee of a registered facility who is a patient may consume marijuana during his or her work shift as necessary for his or her medical condition as provided in OAR 333-008-1200(1)(b).

6.6 Operating Hours. Daily operating hours for the dispensary must be no earlier than 9:00 a.m. or later than 7:00 p.m., Monday through Saturday.

6.7 Odors. The dispensary must utilize an air filtration and ventilation system (and employ such other measures and means) that confines all objectionable odors associated with the dispensary to the dispensary premises. The air filtration and ventilation system must be installed and operational prior to commencing business operations. For purposes of this Section 6.7, the standard for judging "objectionable odors" will be that of a reasonable person with ordinary sensibilities after taking into consideration the character of the neighborhood in which the odor is made and where the odor is detected.

6.8 Disposal. The dispensary must provide for secure disposal of marijuana remnants or byproducts; such remnants or byproducts must not be placed within the dispensary's exterior refuse containers.

6.9 Marijuana Clubs. The dispensary must not be located on the same property or within the same building with any marijuana social club or smoking club. For purposes of this Section

6.9, a marijuana “social club” or “smoking club” means an association or organization of persons dedicated to a particular interest or activity related to or concerning marijuana.

6.10 Dispensary Location. 6.11 Signage. Signage will comply with any and all applicable sign codes.

6.12 Packaging of Edibles. All edible marijuana products sold and/or otherwise transferred on dispensary premises must (a) contain a warning label on the outside of the packaging that includes the following: “WARNING: MEDICINAL PRODUCT – KEEP OUT OF REACH OF CHILDREN” in bold capital letters and in a font size that is larger than the type-size of the other printing on the label such that it is easy to read and prominently displayed on the product, and (b) be packaged in a tamper-proof hard or soft-bodied receptacle that is designed and constructed to be significantly difficult for children under five years of age to open and that is sealed, opaque such that the product cannot be seen from outside the packaging, closable for any product intended for more than a single use or containing multiple servings, and not brightly colored, depicting cartoons, or in the shape of an animal or any other commercially recognizable toy or candy.

6.13 Minors. No minor is allowed on the dispensary premises unless the minor is a registry identification cardholder and is accompanied by a parent or guardian whose purpose is to procure the minor’s medicine. No minor is allowed to enter the area of the dispensary where medical marijuana is present.

6.14 Criminal Convictions. A person who has been convicted in any state for any felony, including for the manufacture or delivery of a controlled substance in Schedule I or Schedule II, once or more in the five years immediately preceding the date of application (or renewal) or twice or more in the person’s lifetime may not be a PRF, company principle, employee, and/or volunteer of a dispensary or have a financial interest in a dispensary operated in City’s incorporated limits.

6.15 Accounting System and Records. The dispensary must have an accounting system specifically designed for enterprises reliant on transactions conducted primarily in cash such that revenue and expenses are recorded as they are paid, regardless or when goods are received or delivered, and sufficient to maintain detailed, auditable financial records. If the Manager finds that the PRF’s books and records are deficient in any way and/or if the PRF’s accounting system is not auditable, the PRF must modify the dispensary’s accounting system to meet the requirements of the Manager.

6.16 Record Keeping. Each PRF must keep and preserve records of all sales made by the dispensary and such other books or accounts as may be required by the Manager. Each PRF must keep and preserve for a period of at least three years records containing at least the following

information, in addition to that information specified in OAR 333-008-1210(1): (a) true names and any aliases of the PRF; (b) true names and any aliases of employees/volunteers of the dispensary; (c) true names and addresses and any aliases of persons that have or within the preceding year have had a financial interest in the dispensary; (d) documentation concerning costs related to transferring, handling, securing, insuring, testing, packaging, and processing marijuana, and the cost of supplies, utilities, and rent or mortgage; (e) the amount of money paid by a dispensary to a grower for each transfer of marijuana; (f) the amount of money paid by each patient or designated primary caregiver for a transfer of marijuana; (g) state and federal income tax returns; and (h) any other additional information the Manager deems necessary or appropriate.

6.18 Sales and Transfers. Sales or other transfers of marijuana products on the dispensary premises must occur inside the dispensary building and must be conducted only between the dispensary and medical marijuana qualifying patients. No walk-up or drive-through service is allowed.

6.19 Mobile Dispensaries Prohibited. Mobile marijuana dispensaries are prohibited. No person will locate, operate, own, allow to be operated, and/or aid, abet, and/or assist in the operation of any mobile marijuana dispensary that transports or delivers, or arranges the transportation or delivery of, marijuana to a person.

7. Background Checks. City will send to the John Day Police Department the information provided on each initial or renewal dispensary permit application. The police department may conduct criminal background checks (or obtain the results of background checks conducted by the Oregon Health Authority) to determine whether any person specified therein (including, without limitation, the PRF, person with financial interest, company principle, employee, or volunteer) has any history of felony convictions and will inform City whether all persons named in the permit application passed the required background checks. If, following an initial application or renewal, an additional person is proposed to be a PRF, person with financial interest, company principle, employee, or volunteer, then such person must pass the background check prior to assuming such position.

8. Release; Indemnification.

8.1 Release of Liability. By accepting a dispensary permit issued pursuant to this Ordinance, the dispensary, dispensary owners, PRF, persons with a financial interest, and company principles waive and release City and City's officers, employees, volunteers, agents, insurers, and self-insurance pool for, from, and against any and all injuries, claims, demands, actions, suits, damages, liabilities, costs, and expenses of any kind, including, without limitation, attorney fees and costs, which arise out of or result from any arrest and/or prosecution of the dispensary, dispensary owners, PRF, persons with financial interest, company principles, employees, volunteers, clients, customers, and/or any other associated persons for violations of any federal, state, and/or local laws, regulations, and/or ordinances.

8.2 Indemnification. By accepting a dispensary permit issued pursuant to this Ordinance, the dispensary, dispensary owners, PRF, persons with a financial interest, and company principle(s) will, on a joint and several basis, indemnify and hold harmless City and City's officers,

employees, volunteers, agents, insurers, and self-insurance pool for, from, and against any and all injuries, claims, demands, actions, suits, damages, liabilities, costs, and expenses of any kind whatsoever, including, without limitation, attorney fees and costs, arising out of or resulting from in any manner the operation of the dispensary, including, without limitation, any bodily injury, personal injury, sickness, disease, death, property loss or damage, and/or any other loss.

9. Permit Denial, Suspension, and Revocation; Penalties; Appeals.

9.1 Grounds for Denial, Suspension, Revocation. The Manager may deny, suspend, or revoke a dispensary permit for failure to comply with this Ordinance, for submitting falsified information to City or to the Oregon Health Authority, and/or for noncompliance with any other City ordinances or regulations or violations of federal, state, and/or local laws, regulations, and/or ordinances.

9.2 Notice of Revocation or Suspension. The Manager must provide to the permittee written notice of any permit suspension or revocation and reasons therefor by first-class US mail at least 10 calendar days prior to the effective date of the revocation or suspension.

9.3 Appeal. A decision to deny, suspend, or revoke a dispensary permit may be appealed by delivering personally a written notice of appeal to the Manager on or before the effective date of the denial, suspension, or revocation. Unless the Manager has declared that imminent danger to the public will exist, the Manager's decision to revoke or suspend is stayed pending appeal. The Manager will transmit the notice of appeal together with the file of the appealed matter to the Council after which transmission the Council will fix a time and place for hearing the appeal. The Council will give the appellant not less than 10 days' prior written notice of the time and place of hearing of the appealed matter.

9.4 Violations; Infractions. Violation of or failure to comply with any provision of this Ordinance is punishable upon conviction by a fine not to exceed \$500.00. City will be entitled to collect from any PRF violating or otherwise failing to comply with this Ordinance City's reasonable attorney fees and other fees, costs, and expenses incurred by City to enforce this Ordinance, including, without limitation, any costs incurred by City to audit a dispensary's records. Each day in violation constitutes a separate offense. Dispensary owners, company principles, PRFs, employees, and volunteers are jointly and severally liable for such offenses. The remedies provided in this Section 9.4 are not exclusive and will not prevent City from exercising any other rights and/or remedies available under law, nor will provisions of this Ordinance prohibit or restrict City or other appropriate prosecutor from pursuing criminal charges under state law and/or City ordinances.

9.5 Remedies not Exclusive. The remedies provided in this Section 9 are not exclusive and will not prevent City from exercising any other rights and/or remedies available under law, nor will provisions of this Ordinance prohibit or restrict City or other appropriate prosecutor from pursuing criminal charges under state law and/or City ordinances.

10. Public Nuisance Declared. Operation of any dispensary within City's incorporated limits in violation of this Ordinance is hereby declared a public nuisance and will be abated pursuant to all available remedies.

11. Confidentiality. Except as otherwise provided under applicable law, City officers and employees will not knowingly divulge, release, or make known in any manner any financial or employee information submitted or disclosed to City by a PRF under the terms of this Ordinance. Nothing in this Section 11, however, will prohibit or prevent (a) disclosure of the names and addresses of any PRF or provider of equity or debt financing for a dispensary, (b) disclosure of general statistics in a form that would reasonably prevent identification of financial information regarding a PRF, (c) any disclosure necessary or appropriate in connection with the enforcement of this Ordinance, including the presentation of evidence to a court or other tribunal having jurisdiction in the prosecution of any criminal or civil claim by City under this Ordinance, and/or (d) disclosure when such disclosure is permitted or required under applicable public records laws.

12. Examination of Books, Records, and Premises.

12.1 Examinations by Manager. To determine compliance with the requirements of this Ordinance, ORS 475.300-ORS 475.346, Oregon Administrative Rules Chapter 333, Division 8, all land use/development, building, and fire codes, and/or all other federal, state, and local laws, regulations, and ordinances, including, without limitation, those directly or indirectly relating to medical marijuana, including the payment of all fines, fees, and taxes owing to City, the Manager may examine or cause to be examined by an agent or representative designated by the Manager, at any reasonable time, the premises of the dispensary, including wastewater from the dispensary, and any and all dispensary financial, operational, and other information or documentation, including books, papers, payroll reports, and state and federal income tax returns. Every PRF is directed and required to furnish to the Manager the means, facilities, and opportunity for making such examinations and investigations.

12.2 Criminal Investigations. As part of the investigation of a crime or violation of this Ordinance that law enforcement officials reasonably suspect has taken place on the dispensary premises, the John Day Police Department will be allowed to view surveillance videotapes or digital recordings relating to the dispensary at any reasonable time.

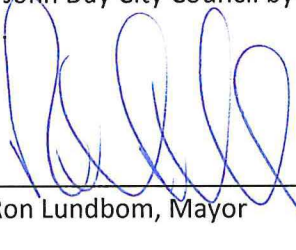

12.3 Access. Without reducing or waiving any provisions of this Ordinance, the John Day Police Department will have the same access to the dispensary, dispensary records, and dispensary operations as allowed to state inspectors. Denial or interference with such access will be grounds for revocation or suspension of a dispensary permit.

13. Severability; Corrections. All pronouns contained in this Ordinance and any variations thereof will be deemed to refer to the masculine, feminine, or neutral, singular or plural, as the identity of the parties may require. The singular includes the plural and the plural includes the singular. The word "or" is not exclusive. The words "include," "includes," and "including" are not limiting. Any reference to a particular law, statute, rule, regulation, code, or ordinance includes the law, statute, rule, regulation, code, or ordinance as now in force and hereafter amended. If any section, subsection, sentence, clause, and/or portion of this Ordinance is for any reason held invalid, unenforceable, and/or unconstitutional, such invalid, unenforceable, and/or unconstitutional section, subsection, sentence, clause, and/or portion will (a) yield to a construction permitting enforcement to the maximum extent permitted by applicable law, and (b) not affect the validity, enforceability, and/or constitutionality of the remaining portion of this Ordinance. This Ordinance may be corrected by order of the Council to cure editorial and/or clerical errors. Nothing in this Ordinance affects the validity of any criminal or civil enforcement actions commenced prior to the adoption of this Ordinance; all City ordinances existing at

the time that such actions were filed will remain valid and in full force and effect for purposes of those actions.

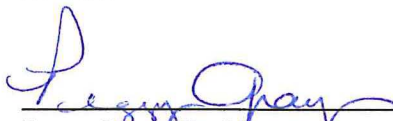

14. Emergency Declaration. The Council finds that passage of this Ordinance is necessary for the immediate preservation of the peace, health, and safety of City's citizens. The Council further finds that a delay of thirty (30) days prior to the effective date of this Ordinance may result in acts, omissions, and/or conditions detrimental to City and the public welfare. Therefore, an emergency is declared to exist and this Ordinance will be in full force and effect upon its passage and adoption by the Council and approval of the mayor.

This Ordinance was PASSED and ADOPTED by the John Day City Council by a vote of 7 for and 0 against and APPROVED by the mayor on April 28, 2015.
