General and line-by-line instructions for completing the Request for Interim Reimbursement/Final Closeout form are provided herein.

General Instructions and Reminders

- This form may be completed by hand or typed on paper or completed in Microsoft Word. If you need a Word file, please contact the Grants Administrative Specialist at DLCD.GFGrant@dlcd.oregon.gov. In any case, submit the form with the grant Product(s) electronically, as called for in the Agreement.
- This form is used for all reimbursement requests – interim or final.
- It is important that you retain documentation of expenditures as provided in paragraph 16 of the Agreement, which provides that records be maintained for at least six years after the final payment has been received by the grantee.
- Interim and final reimbursement requests must not include work performed prior to the Effective Date of this Agreement (generally the date the Agreement is signed by DLCD) and not after the Closing Date of this Agreement.

Completing the Form

Please show *total actual expenditures only* of DLCD grant award and local contributions.

First row: DLCD will complete the Grantee Name and Grant Number. In the Final Payment box, highlight or circle “No” for interim payments and “Yes” for final closeouts.

Second row: DLCD will complete Agreement start and close dates. Complete the “Period covered by this payment” The form includes separate boxes for “from” and “to.” Please complete both. These dates must accurately depict the dates the work for the reimbursable expenditure was incurred. If there are any applicable limits on these dates, they will be provided in the payment descriptions in the “Schedule, Products, and Budget” section of the Agreement.

The next section of the form includes columns for itemizing each expense category:

- **“DLCD Grant Expenditures, Previous Reported”** column -- should be blank if the submission is Payment 1. If the request is for a second or later interim payment or final closeout, enter the sum of previous payments in this “Previously Reported” column.
- **“DLCD Grant Expenditures, This Payment”** column – captures and identifies expenditures for the products that are currently being submitted for review and payment.
- **“DLCD Grant Expenditures, Cumulative”** column – simply the total of the two previous columns.
- **“DLCD Grant Expenditures, Transactions”** – Complete items 1–4 as applicable and item 5, total in the “Previously Reported” column if applicable and in the “This Payment” column. Complete previous and current local contributions in items 6–9 and the total on line 10 if applicable. Local contribution does not include expenses reimbursed by the grant. It is included to provide DLCD with accurate information regarding the cost of projects and/or products completed in compliance with this grant. This category includes both in-kind and cash contributions.
