Grants financed through the issuance of bonds are not available until bonds are sold. Multiple factors impact the timing of sales; however, many sales often occur during the last six months of the biennium (Oregon's biennial budget begins on July 1 of odd-numbered years and runs through June 30 of the next odd-numbered year). Significant decreases in revenues or changes in financial conditions subsequent to authorization may also delay or prevent the issuance of bonds, which means that the approved projects

Public works projects, including any project that uses \$750,000 or more of public funds for constructing, reconstructing, painting or performing a major renovation on a road, highway, building, structure or improvement of any type, may be subject prevailing wage requirements. Grant recipients must comply with prevailing wage rate laws and should consult the Oregon Bureau of Labor and Industries to determine whether a project is subject to prevailing wage.
