

**Quotes/estimates for Oregon Pine Bridge**  
 (quotes are not final until order)

Franklin Corp	Provide 89' railcar bridge with vertical railing like Hill Park. Includes fab work and paint. This is who we used for Hill Park.	\$82-\$87K
	Freight and Deck	\$3k
		Total \$90K

Pacific Rail Service	Provide 89' railcar bridge with horizontal railing, not vertical like Hill Park. Includes fab work and paint. Freight included. (\$30k for railcar, \$79k for railing)	\$109K
----------------------	--	--------

Eiffel Trading Co.	Bailey Bridge (150LF @ asking \$550/LF). They wanted to sell the full LF. If was disassembled without a deck. Do not know the bridge location, conditon or whether is has lead paint. Would need to do some fab work to make railing meet code.	\$83k
	Freight, Fab work, Deck, Unknowns	???

Paragon	Not currently building bridge with railings. Price is for blank rail car, not painted.	\$30K
---------	--	-------

Local contractor	Rehab existing Oregon Pine cut railcar bridge and building railing.	Declined
