March 1, 2023

The Cinnabar Mountain Playdays are a non-profit, all volunteer, family-oriented rodeo organization that holds one day competitive events for local youth up to the age of 18. Events include pole bending, figure 8, barrel race, flag race, keyhole, goat tail untying or tying, dummy roping and breakaway sled roping. Our overall goal is to promote youth involvement in the sport of rodeo while providing a safe and positive learning environment where contestants develop horsemanship skills, rodeo knowledge and lasting friendships.

In 2022 we had over 55 contestants compete for awards. These awards were earned by participating in at least 4 of the 6 rodeos and were presented at the year end awards banquet to honor contestants and sponsors.

We have tried to keep entry fees to a minimum to be affordable to all contestants. To continue to maintain a quality organization we must reach beyond our entry and membership fees and are soliciting sponsorships from businesses, local ranchers and those who have been involved in rodeo throughout their lives. Your support helps our organization continue to grow, be able to provide quality year end awards and engage youth in rural America's greatest sport, rodeo.

We truly appreciate your consideration to support the Cinnabar Mountain Playdays and hope to see you at the rodeos.

Please feel free to contact a board member if you have any questions.

Thank you,

Cinnabar Mountain Playdays Board of Directors

Tiffnie Schmadeka - 541.620.2881

Trisha McCoin - 541.792.0787
