Minutes

Meeting called to order by Chris Labhart at 11:00 a.m.

Members present: Chris Labhart, Heather Swank, Shannon Adair, Larry DeCew, Rick La Mountain, Susan Church. Elaine Mezzo was excused.

Minutes were included, along with the agenda in the email, to each member.

Landscaping report - Chris Labhart

Chris contacted Nan Walker and Greg Eddy about putting together a suggested plan for landscaping. Greg did the landscaping project for River Rock sub-division, next to Hill Family Park. They would be able to present a plan at the November 12th meeting. We need to check with the city about the as built plan for the watering system. Any plan for landscaping would be put out for bid.

Canyon City & John Day Walking Map report - Shannon Adair

Shannon has tried to contact Sage Design Works in Burns. She has not heard back from them. She will contact the Chamber to see if they have any information about the map. Shannon presented a walking map sample, developed by Julie Bowling. This might be something that could be added to the kiosk displays. Rick will visit with Firehouse Press, to see if they could print the map.

Rest Area Signage - Chris Labhart

Chris contacted Logan Keller, ODOT sign person in Ontario. An email sent by Logan was distributed to the committee. Chris reviewed the information. It was noted that ODOT didn't have the time, budget or staff to put in Rest Area $\frac{1}{2}$ mile signs on the east and west end of John Day. Specific specifications for the signs were discussed in the email. Sample signs were shown. Location of the signs were discussed. Chris brought up the idea of naming the area. He visited Sisters last weekend and showed a sign that they had on their park.

Larry gave an update on the statue. It will be ready in early spring.

Items to discuss at the next meeting will include the following:

- Statue
- Gabians
- Landscaping
- Pergola/Kiosk

Next meeting was scheduled for November 12, at the chamber office 11 a.m. Meeting was adjourned at 11:28
