Landscaping options

Heather contacted Bill Moon. Larry contacted Kenny and Chelsea in Burns. Mentioned they might come to our next meeting. Elaine called Better Blooms and Garden. Haven't heard back. Chris will check with the city about bid requirements.

Shannon contacted Didgette and she indicated she may have info for us. Will continue trying to contact Tory in Burns.

Naming options

Chris shared a picture of a sign from Sisters and possible signage from a site plan that the city commissioned. A picture of the bike locker was distributed.

Possible naming options were the following: Town Square, Main Street Plaza, The Courtyard, Pioneer Plaza, Settler Square. The Pit was ruled out. Chris will check to see if the city can post information on their website, about name suggestions for the rest area.

Rendering of the property

Chris contacted The Firehall Press. Caleb could possibly do a photo shop rendering of the property with the additional items added. Larry brought a drawing of the statue done by Patricia Ross. A 3-sided kiosk was also shown. Gabians were also discussed. An actual scale of the property would be nice. Discussion on the dimensions of the statue was discussed. Christmas tree location was discussed.

Additional Parking signs on property

Rest Area sign with arrows on the north east corner of lot were recommended. City post to install the sign would be looked into.

Larry would like to see the drawing for underground utilities for the property. Chris will check with the city. Chris will try and find a scale drawing of the lot and bring it to next meeting.

Next meeting discussion
